

Postcard from a book character

Fun activity for your students to write a postcard as though they are a character from a book e.g. Harry Potter writing to Ron Weasley in the summer holidays, or Katniss Everdeen writing to her sister just before the Hunger Games.

A postcard template with a blue and black striped border. The front of the postcard has a dashed line for an address on the left and a dashed box for a stamp on the right containing wavy lines. The back of the postcard has a vertical line for an address on the right and four horizontal dashed lines for a message on the left.
